

RUSSIA CALLS
OUT HER ARMY

Report is Confirmed in Official Despatch to Washington

CANNOT REMAIN
QUIET IN CRISIS

Meanwhile Great Britain Heads Move For Mediation Conference

Washington, D. C., July 27.—The gravity of the European situation was reflected in an official despatch from St. Petersburg to-day saying that the Russian minister of war said he considered war between Russia and Austria almost inevitable. The statement was made after the Russian minister had issued an official declaration that Russia was greatly disturbed and could not remain indifferent in the crisis that had arisen between Serbia and Austria-Hungary.

The order for the mobilization of the Russian army is confirmed.

London, July 27.—The fact that no serious hostilities between Austria-Hungary and Serbia had been begun gave Europe a general hope to-day that war might be averted. There is a little change in the situation, however, and the optimistic feeling is based on the belief that the German emperor, who returned to Potsdam to-day from a cruise in the northern waters, would throw his influence in the balance in favor of a peaceful settlement of the dispute.

It was said this morning that Austria would not move her forces against the Serbian capital until to-morrow. Glimmers of hope continued to flicker while all the nations were preparing for possible eventualities. Their statements, with Sir Edward Grey at the head, were endeavoring to bring together the governments at issue, with a view to mediation.

BRITISH FLEET COALING.

All Leave Has Been Stopped, Preparatory to Proceeding to North Sea.

Portsmouth, England, July 27.—The first fleet of the British navy has been recalled here by wireless and is now coaling. All leave has been stopped and it is understood the fleet will proceed to the North sea.

GREECE MAY AID SERBIA

In Event of War Being Declared with Austria.

Constantinople, July 27.—The Greek minister here to-day declared that in event of war between Austria and Serbia, Greece would be compelled to despatch 100,000 troops to the assistance of Serbia.

RESERVISTS ORDERED HOME

Austro-Hungarians in United States Get Preparatory Order.

Manchester, Mass., July 27.—Dr. Constantin Theodore Dumba, ambassador from Austria-Hungary to the United States, yesterday instructed consuls in this country to order all Austro-Hungarian reservists whose whereabouts are known to prepare to return to the army in event that war is declared with Serbia. The ambassador, who is at his summer home here, expressed the opinion that war was imminent.

"I am now expecting official notice," he said, "that war has been declared. When this comes I shall order a general mobilization of all of my countrymen up to the age of 42 in the United States to return to Austria. This will be done by the publication of notices in the newspapers in the different languages of our country. I think there are about 200,000 Austrians and Hungarians in the United States."

"The only instructions I have received were that the Serbian answer to our demands were unsatisfactory and that diplomatic relations had been severed. Personally I believe that war is imminent and the only question is whether Russia will come to the aid of the Serbs and involve Europe in a general war."

TRIO COULD NOT SWIM.

One Brother Drowned and Two Were Rescued.

Providence, R. I., July 27.—Hemerbor Goudreau, aged 37, was drowned yesterday at Pine Crest on the east shore. Goudreau was one of an automobile party of four which went to the shore from Central Falls for the day.

Three of the party went in bathing and got into deep water, none being able to swim. Goudreau's companions were rescued. His body was recovered.

DROPPED INTO DEEP PLACE.

Waterville, Me., Man Couldn't Swim and Was Drowned.

Waterville, Me., July 27.—Fortunate Matthew, 27, was drowned yesterday afternoon while bathing in the canal at the Hollingsworth & Whitney plant. The young man, who was unable to swim, slipped off a sudden decline and was drowned in sight of a companion who was powerless to aid him.

AUSTRIAN TROOPS FIRED ON

And Fire Was Returned, Making Engagement of Some Importance.

Vienna, July 27.—A report from Hungary states that Serbian troops on board a steamer on the Danube fired on Austrian troops, and that the Austrians returned the fire. An engagement of some importance is said to have ensued. It is considered that probably this is another version of yesterday's encounter.

SEVERAL SHOTS FIRED.

In Attempt to Capture Supposed Fugitive in Rutland.

Rutland, July 27.—The nightly gun-play said to be indispensable to the amusement of a frontier town came on Main street Saturday night, when Frank Gardner Hill, who escaped from the police Friday night, again wriggled out from under the arms of the law, as personified by Special Policeman James Pitaniello. Hill says Officer Pitaniello was the man who appeared and demanded admittance at the door of the Charles Johnson house, corner Main and West streets, where he had been staying. It was under that impression, at least, that the officer fired the shots which awakened the neighborhood, but missed the flying fugitive.

Pitaniello and Special Officer John Childs have, ever since the Friday night incident, been at the Johnson home, awaiting the return of their man. Saturday night, about 11 o'clock, while Pitaniello was in the hall downstairs and Childs was upstairs, someone came to the door on the Main street side of the house, and tried to get in. The Italian special was just inside the door, and intended to allow his man to enter and then overpower him in the unlighted hall. Owing to a moving shadow the stranger became suspicious, and did not show any immediate intention of falling into the trap. As the policeman opened the door a hair-breadth his man took alarm, and fled across the street.

Pitaniello's finger was pinched in between the door and the wall, and he was slow to follow, but gave chase, firing his revolver several times. The fugitive sped across Main street and ran behind the house near the old Rutland Business college building.

The sound of the revolver and the whizzing bullets caused a good deal of excitement and some alarm on the quiet thoroughfare, and several family piazza parties left their seats with alacrity. A good sized mob had soon crowded about the place where Hill was last seen.

HOUSE WAS SAVED.

But Principal Barns on Ethan Allen Farm Were Burned.

Burlington, July 27.—The principal barns on the historic Ethan Allen farm were burned last evening. The house and smaller outbuildings were saved. The loss of \$5,000 is covered by insurance.

The farm which is of historical interest because of the fact that it is the one upon which Ethan Allen died, is owned by W. J. Van Patten of this city and leased to F. B. Calkins, who also runs the River View farm, John Jaquish, who works for Mr. Calkins, and his wife are residing at the farmhouse.

Mr. Jaquish had been away during the afternoon and returned at about five o'clock. He left shortly after to go a distance of about a mile for supplies. Mrs. Jaquish, who was milking a cow in the barn, heard a crackling noise at the rear of the barn and upon investigation found the upper story of the south end in flames. Mr. Jaquish saw the smoke and managed to get back in time to save the cow and several harnesses which were in the barn as well as to pull out a load of hay which was on the floor. The blaze was also seen by Charles K. Tyler, whose farm is situated on North avenue at the Institute road. His son sent in the alarm. Mr. Calkins, who visited the farm about five o'clock, saw no sign of the fire.

CHILDREN STARTED FIRE.

Barn and Part of Shed in Bakersfield Burned.

Bakersfield, July 27.—Children playing with matches set fire to the barn of John Moran at 10:30 this morning and the barn and part of a connecting shed were burned and the other half of the shed was cut away in order to save the house which was connected. By hard work the neighbors saved the house but did considerable damage to it and to the furniture when they moved the furniture out.

The children who set the fire were George Simmons, aged 5, and several of his playmates, as well as the material fire. The flames were discovered by Harlow Dunham, who was mowing in a field nearby. The alarm being given, the neighbors brought water and chemicals and succeeded in stopping the fire before it attacked the house. The loss is several hundred dollars and is insured. This is the third fire in Bakersfield in a week.

DIED AT RUTLAND.

Mrs. Abbie Sanders Drowns, Wife of West Fairlee Man.

Rutland, July 27.—Mrs. Abbie Sanders Drowns, wife of John H. Drowns of West Fairlee, died at 1:15 o'clock Saturday afternoon at the home of her daughter, Mrs. E. W. Plon, on South Main street, after a seven months' illness. Mrs. Drowns was born in the town of Mount Holly, 63 years ago, the daughter of Kendall and Lydia Headle. She married Parker Sanders of Shrewsbury in 1875 and they resided in Shrewsbury until his death, 16 years ago. She then moved to this city, residing here about five years and 12 years ago she was married to John H. Drowns and they soon went to West Fairlee where they had since lived.

Her husband and daughter, Mrs. Drowns leaves two sons, Bernard and Marvin Sanders of this city, two brothers, Rev. Edwin C. Headle of Boston and William H. Headle of Readsboro, three stepchildren and three grandchildren.

The funeral will be held at the house, No. 204 South Main street, Tuesday morning at 11 o'clock. Burial will be at North Shrewsbury.

DEMOCRATS TO CONFER.

State Committee Will Meet at Burlington Next Friday.

Burlington, July 27.—Emory S. Harris of Bennington, chairman of the Democratic state committee, has sent a letter to the members of the committee calling them together for a consultation at Van Ness house in this city next Friday evening. The meeting is called for the purpose of going over the situation in Vermont and getting a line on conditions as they are likely to affect the coming election.

YOUTH DIED
FROM SHOCK

Charles Dubois Received Current of Electricity.

TOUCHED A WIRE
ON IRON TOWER

Almost His Whole Body Was Burned Over.

Brattleboro, July 27.—Charles Dubois, 15, who was spending the summer in Northfield, Mass., died at Memorial hospital at eight o'clock last night, four hours after having 23,000 volts of electricity pass through him. With other boys he was climbing one of the iron towers of the Connecticut River Power company about a mile north of Northfield when he reached up and touched one of the wires. His clothing was burned entirely off from his body and about two-thirds of the surface of his body was burned. He was placed in an automobile and brought to the hospital where he lived for two hours after arrival.

TOOK TRIO'S NAMES.

They Are Alleged to Have Been Drinking at Bugbee Avenue House.

A detail of policemen led by Officer Harry Gamble went to Bugbee avenue last night at 8:30 o'clock and raided the apartments at No. 1, occupied by Mrs. Eleonora Sain. Three men who sat around the table in Mrs. Sain's living room are said to have been drinking and at the request of an officer they retained their seats until he had jotted down their names. A search of the premises disclosed bottles of whiskey, which the raiders seized as contraband goods. Mrs. Sain was arrested on a charge of selling illegally and taken to police headquarters for the night.

This morning she was arraigned before Magistrate H. W. Scott in city court and a hearing was set for Tuesday morning at 9 o'clock. Bail was furnished in the sum of \$500. The respondent has retained R. A. Hoar and the state will be represented by Grand Juror William Wishart, who issued the complaint which sent Officers Gamble, John W. Dineen and David Henderson to the Sain home with orders to search.

Malcolm McAnley, the Graniteville man who pleaded not guilty to an intoxication charge in court Saturday, withdrew his former plea and admitted the allegation. To-day he paid the \$15 fine and costs of \$4.50 exacted by the state for previous offenses.

Emelio Cascanelli pleaded guilty to a breach of the peace charge before the judge to-day and paid a \$5 fine with costs of \$7.20. He was arrested by Officer Harry Gamble on a complaint made to Grand Juror Wishart. The respondent is alleged to have been implicated in an altercation over a hen coop at North Barre.

GROUND BROKEN FOR HOSPITAL.

J. C. DeBrune in Charge of Men Under Contractor Cashman.

Ground was broken at 1 o'clock this afternoon for the new Barre City hospital which is to occupy a site near the present structure on Washington street. Batter boards for the foundation were placed in position last week and when J. C. DeBrune and a gang of men arrived on the scene to-day everything was in readiness for the excavation work. Digging will be prosecuted with vigor until the basement is ready for the walls. Mr. DeBrune will have charge of the excavation work for J. E. Cashman, the contractor.

WARM, GENERALLY FAIR.

Is Prediction for Weather During the Present Week.

Washington, D. C., July 27.—Warm and generally fair weather over the whole country was forecast last night by the weather bureau for the first half of the coming week.

"The next disturbance of importance to cross the country," said the bureau, "will move eastward crossing the eastern states near the end of the week. This disturbance will be attended by local showers and thunderstorms and be followed by a spell of fair weather in the northern and central states."

MME. CAILLAUX CALMER.

Has Recovered Somewhat from Strain of Saturday.

Paris, July 27.—Mme. Caillaux appeared much calmer when she took her seat in court to-day in her trial for the murder of Gaston Calmette. She suffered from two fainting spells last night as the result of the severe strain of Saturday when she swooned while the love letters were being read.

Caillaux demanded to be heard and he said he wanted to submit to the court the authentic papers concerning Calmette's relations with the Hungarian government. He started to read Calmette's will.

SMILED AT HIS FRIENDS.

William V. Cleary Didn't Seem Much Perturbed in Court.

Haverstraw, N. Y., July 27.—William V. Cleary, town clerk of Haverstraw, who on Tuesday shot and killed his son-in-law, Eugene Newman, waived examination and was held for the grand jury in September when arraigned to-day. He shook hands with many of his friends who were in court and smiled at others. No mention of bail was made.

REPAIRED CHURCH RE-OPENED.

Union Structure at East Fairfield Greatly Changed.

East Fairfield, July 27.—The Union church at this place was re-opened yesterday morning following the completion of repairs and improvements and the installation of pipe organ, at a total expenditure of about \$1,000.

The church has a Congregational pastor, the Rev. H. Clay Searles, and he had charge of the services. Addresses were given by the Rev. Dr. C. H. Merrill of St. Johnsbury, state Congregational missionary, and the Rev. H. L. Thornton, pastor of the Universalist church at St. Albans, who represented the Universalist state convention in the absence of Supt. G. F. Fortier of Rutland, the convention having an interest in the church. The choir furnished excellent music for the occasion. Mr. Searles made a few remarks and at the close made a plea for the state missionary fund of the Congregational church, securing pledges amounting to about \$40.

The changes and improvements include a new foundation wall on the east side of the building, new pews, painting the outside of the building and also some painting inside, and the installation of a pipe organ which was secured from the Congregational church at Swanton when the church recently purchased a new one, the entire amount having been secured within a year, or since the Rev. Mr. Searles returned here for a second pastorate. A new furnace has been installed, the being given by a friend in Massachusetts, and four new stained glass windows, which were a gift also.

Beside the Rev. Mr. Thornton there were present from the Universalist church at St. Albans Selden C. Greene, a trustee of the Universalist convention, W. H. H. Greene and G. F. Barker.

GIVEN MILITARY BURIAL.

Many Former Guardsmen Paid Tribute to T. G. Carswell.

A tribute which included burial with military honors at Elmwood cemetery was tendered the memory of Thomas G. Carswell, former captain of the old Barre Company E, whose death last Thursday afternoon followed a serious illness of only a few days. Funeral services were held at his late home, 92 South Main street, Saturday afternoon at 2 o'clock. Rev. J. W. Barnett, pastor of the Congregational church, officiating. Among those who gathered at the house were former guardsmen of three companies in the regiment to which the deceased captain belonged, business men who were familiarly associated with Mr. Carswell in the granite industry, employees of the Carswell-Wetmore company, a large number of relatives and close friends and a representation from Clan Gordon.

The bearers were as follows: William Milne and Douglas M. Barclay from the Barre Granite Manufacturers' association of which the deceased was vice president at the time of his death, William S. Robins, William A. Murray and Frank E. Gladding of Company E, and George Lucia. Out of respect to the wishes of the family, the customary display of flowers was omitted, but there were several fine floral tributes from different organizations. The casket was draped in the Stars and Stripes and it was under an escort from the Spanish-American War Veterans' association that the casket, draped in the colors, was taken to Elmwood cemetery.

Marshalled by Dr. Joe W. Jackson, a deputation of 30 veterans marched to Elmwood at the head of the procession. At the graveside a brief committal service was read and the remains were lowered to the sound of taps and drum. Thomas J. Mercer, formerly chief bugler of the first Vermont regiment at Chickamauga, and John Pressley, also a veteran of the war, sounded taps and S. N. Parker played the drum. A number of former guardsmen from Northfield and Montpelier were present at the services.

KNEW NOT OF SON'S DEATH.

Mrs. Abbie M. Kinsman Died, Uninformed of Son's Suicide Recently.

Rutland, July 27.—Mrs. Abbie M. Kinsman died at her home, No. 56 Grove street, Saturday of a cerebral hemorrhage which she suffered Friday. She had been ill of other troubles for several months before the funeral will be at the house this afternoon at 2:30 o'clock. Burial will be in Evergreen cemetery.

She is survived by one son, Frank R. Kinsman. Another son, Carroll E. Kinsman, shot himself to death last week, and his mother had not been informed of his death, having been told he was ill at the Rutland hospital.

Mrs. Kinsman was 73 years old, and was born in Westfield. She had lived in Rutland and Brattleboro, and was a resident of this city for the last 48 years. Her husband, Charles E. Kinsman, died in 1902. She was a member of the Congregational church and of Roberts Relief corps.

OLD RESIDENT OF BERLIN.

George W. Dodge Passed Away This Forenoon After Two Weeks' Illness.

George W. Dodge, one of the best known residents of Washington county, passed away this forenoon at the Dodge farm in the town of Berlin, midway between Barre and Montpelier. He had been confined to the bed during the past two weeks because of ailments incident to his advanced age and the end came at 10:30 o'clock.

The funeral is to be held from his late home Wednesday at 1:30 o'clock. It was a request of Mr. Dodge that there be no flowers at his funeral.

WOMAN SENT
TO HOSPITAL

Following Collision Between Automobiles at North Barre

MRS. W. V. HOOD HURT
QUITE SEVERELY

Other Automobile Accidents of the Week-end in Vermont.

When two automobiles swung together in the highway just north of Jones Bros' granite plant in Barre late yesterday afternoon, the smaller car, a Ford, was forced into the ditch and while the machine did not turn turtle, it tipped to an angle sharp enough to pitch the occupants out of their seats. Of the two people in the auto, Mrs. W. V. Hood and her son, S. B. Hood, of East Topsham. Mrs. Hood received the more serious injuries. She is confined to the City hospital and although she retains consciousness, she complains of severe pains in the neck and the doctors fear a concussion of the brain was caused by the accident.

The other principle in the accident is said to be L. C. Emmons of Morrisville. There was the usual heavy traffic on the thoroughfare and a number of witnesses agree that the side-swiping was almost unavoidable. Both cars were proceeding toward Barre and it was when the larger car attempted to pass the Ford machine that the latter was thrust to one side. Only a few inches, it is said, separated the Ford auto from the ditch and when the heavier machine brushed against it the result was inevitable. Barely a moment elapsed before there was plenty of help. Mrs. Hood was extricated from her trying position in the ditch and taken to the City hospital in Dr. Joe W. Jackson's automobile. It was thought at first that she had sustained more than one bone fracture, but a closer examination did not bear out the opinion first formed. Mrs. Hood was considerably dazed by the accident, but this morning her mind was rational and she was able to talk with the hospital attendants. She will recover, it is believed.

The woman's son did not escape unscathed. Flying fragments of glass cut his face and somehow he sustained a painful sprain in his left arm. Evidence of a bad accident were everywhere on the car. One of the rear wheels was stripped from its axle, the wind shield was shattered and the mud guard on one side of the machine was bent out of shape. The engine remained intact, however, and the car was piloted to a garage under its own power.

Two Cars Collided.

A disastrous accident that might easily have resulted in serious injury to limbs or loss of life occurred on the Plainfield road Saturday night when Ford touring cars operated by Rufus Whitcomb of Marshfield and Aldro Batchelder of Plainfield came together. Both autos were loaded with people, but the shock of contact did not serve to throw the occupants from the cars. Mr. Batchelder's conveyance was not badly damaged, but the Whitcomb car had a broken front axle and a jammed running board. Help was summoned and the car was hauled to a garage. The collision happened on a narrow spot in the highway.

AUTO TURNED OVER
AND RIGHTED ITSELF

William Hunt of Jeffersonville Was Seriously Injured at Underhill, Due to Inexperience of the Driver.

Underhill, July 27.—William Hunt of Jeffersonville was seriously injured here Saturday evening in an automobile accident between seven and eight o'clock, when the machine which he was driving turned turtle and then righted itself. Accompanying Mr. Hunt were Benjamin Safford, owner of the car, and another man from Jeffersonville, and John Howrigan of Essex Center. The latter suffered three broken ribs. The others were somewhat bruised.

Just how the accident occurred is not known. The party was returning from Burlington. Mr. Hunt, an inexperienced driver, had put on speed to climb a little and then did not slacken the speed. He lost control of the machine, which ran into a ditch near the residence of Mr. Samuel Hale, turned completely over and faced about in the opposite direction.

Mr. Hunt was removed to the home of Mrs. Dickerson, where he remained most of yesterday in an unconscious condition. One shoulder was dislocated and he was injured internally. Mr. Hunt has a wife and two children. He is the son of Mr. and Mrs. J. E. Hunt of Essex Junction.

AUTO STRUCK BOY
BUT KEPT ON

Frederick Reed of Rupert Got Crushed Shoulder and Fractured Collarbone When Hurdled from Bicycle.

Manchester, July 27.—Frederick Reed, the 15-year-old son of Eugene Reed of Rupert mountain, while riding a bicycle between Rupert and West Pawlet about noon yesterday, was struck by a large touring automobile and one shoulder was crushed and his collar bone was broken. The occupants of the car, four men and a colored chauffeur, made no investigation as to the extent of the boy's injuries. The car, which was traveling north at a rapid rate, came up behind the bicyclist. The injured boy was rendered unconscious and lay for some time beside the road.

WOMAN HURT BY JUMPING.

At \$20,000 Fire in Springfield Mass. Building.

JOYOUS TIME
AT C. G. PICNIC

30th Annual Outdoor Celebration Attended By Large Crowd.

PROGRAM VERY SUCCESSFUL

Bonaccord-A Team Won the Five-a-Side Football Competition

Nature smiled on Clan Gordon Saturday, for the 30th annual picnic and games at Caledonia park could not have been held under weather conditions more ideal. And if nature was in one of her most joyful moods, she created an atmosphere that made the mood contagious and the big crowd that spent the day at the park entered into the spirit of the occasion with a zest. It was one of the largest gatherings in recent years. Early forenoon saw many people leaving the city for the park and by noon the attendance had reached its zenith. Special trains over the M. & W. R. railroad and extra service cars over the B. & M. Traction & Power Co.'s line were supplemented by many automobiles carrying passengers to the outing grounds.

Time-honored amusements, old customs and the usual program of sports were good enough for the clansmen and in most of its aspects the picnic resembled the old-time outings of Clan Gordon. There were such amusing features as the gun range, the "hairy wallops," the doll race, quoits, football contests from the place kick, and a variety of other diversions that are bound to please the youngsters and not a few of the old "uns" on such gala occasions.

Under the leadership of Edwin Bruce, the Montpelier Military band orchestra played continuously for the dancers in the park pavilion. Indeed, if the prize for popularity is to be assigned to any one spot on the grounds, the pavilion and its tersporean attraction would easily win the money. All day long, many dancers thronged the floor and it was not until the shades of night were closing on a field of grim gladiators in the soccer finals that the musicians were able to rest from their labors.

Of refreshments there was a plenty; tea, coffee, sandwiches, ice cream, crack-jack and pop-corn. Everywhere about the grounds were refreshment stands and they were liberally patronized, too. Promptly at 1:30 o'clock the program of games began, but it was not until mid-afternoon that the elimination contest for the football championship of Vermont was started. And it was some few hours later before the five-a-side honors were awarded the Bonaccord-A team after one of the most exciting soccer duels in the history of the clan picnics. Partisan rooters lined the field as the two teams settled into the finals and not for a moment did the contest lack in enthusiasm.

As the afternoon wore on interest among the children centered around the distribution of cups by William Barclay of the firm of Barclay Bros. In following out a long-time custom established by his father, the late ex-Mayor William Barclay, his son gave every child on the ground a dime. In fine figures, 306 children were made happier by Mr. Barclay's gracious carrying out of the custom. That the number of girls on the park was larger than the number of boys is shown by the fact that 179 recipients of the dimes were girls.

There were many donations that helped to make the various competitions successful. With a large characteristic of the clansmen, many of the members gave freely that the participants in the events might be amply rewarded for their prowess. Among those who contributed in the way of prizes were: Troy & Holden and James Ahern, who gave hammers in the apprentice race; Dr. Reid, who furnished the awards in the married ladies' race; Bruce McDonald, George N. Tilden, Emslie, the florist; E. M. Laws; "a friend of the clan," "a young clansman," ex-Alderman Alex. Milne, who gave the gate prize for the ladies; George M. Marriott, who donated the pipe in the dart-throwing contest; Clansman A. W. Badger, who gave a handsome buffet in the guessing competition; and the Spanish-American war veterans, whose gift of \$5 in the shooting competition was a mark of their appreciation for the clan's kindness in tendering them the use of the park on the occasion of their annual reunion last May.

Judges in the games were: Samuel Gernard, Alex. Milne and William McDonald. In the association football matches, J. D. Will and William Thom acted as referee and time-keeper. All of the decisions were manifestly fair and were invariably received with acclaim. The story of the afternoon in sports is told below:

Throwing hammer, \$3, \$2, \$1—Keith, 63 ft. 1 in.; McLeod, 91 ft. 9 in.; Laird, 80, 81, 2 in.

Putting stone, \$3, \$2, \$1—McLeod, 38 ft. 6 in.; Mathieson, 38 ft. 4 1/2 in.; Charles Keith, 35 ft. 5 in.; George N. Tilden, 34 ft. 5 in.; McLeod, 34 ft. 5 in.; Phillips, 34 ft. 5 in.; McDonald, 34 ft. 6 in.
